

## Car Wash Service Agreement

This Car Wash Service Agreement (the "Agreement") is made by and between [Client Name] ("Client") and Priyanshu Bhowmik, Bentley Georgey and Devin Shivbhajan

This agreement is made between the Customer and "Wash4Kidz" ("Service Provider"). The Service Provider agrees to perform vehicle cleaning services at the Customer's location and is permitted to take before and after photos of the vehicle for quality assurance, protection against damage claims, and promotional use (only with separate written consent). These photos will be stored securely and not shared without consent, except in the case of resolving disputes. The Service Provider accepts responsibility for any damage caused directly by their actions during service, up to a maximum of \$300. After the service is completed and the photos are taken, the Customer agrees to pay the full price that was agreed upon before the service began.

### Conditions:

- Customer must report any damage within 24 hours of service completion.
- Service Provider will only be liable for damage clearly and directly caused by our actions and not for any pre-existing issues.
- The \$300 cap includes labor and parts

Any attempt by the Customer to fabricate or exaggerate damage will be considered fraudulent. The Service Provider may use photo evidence to dispute false claims and take legal action if necessary. By signing below, the Customer agrees to these terms.
